TEST PLAN for ROBOT DUELING WEB APP

Overview:

Test the functionality of the app

Links:

localhost:3000

Test Criteria:

- Ensure entire robot battle can happen
-
- Page shows dueling instructions on load
-
- Page has our company's blue, futuristic styling
-
- We can see a list of all robots prior to battle

Entry Criteria:

- Project downloaded onto local machine
-
- Nodemon running backend on port 3000
-
- Has access to Chrome on local machine
-
- Local machine is a desktop, not a phone or tablet

Exit Criteria:

All test cases run and pass
